

# AEE FOUNDATION SCHOLARSHIP PROGRAM

<http://www.aeecenter.org/i4a/pages/index.cfm?pageid=3304>

## *Purpose*

The AEE Foundation Scholarship program was established to encourage qualified practitioners in energy engineering and energy management to further education in these fields by awarding scholarships.

## *Eligible Studies*

Scholarships are available to candidates obtaining their undergraduate or graduate degrees who are enrolled in an accredited Colorado college or university focusing on engineering, architecture or technical discipline with an emphasis on energy. Colorado residency is not required although applicants must be at sophomore standing or above for the 2011-2012 academic year.

## *Applying for Scholarships*

**All individual applicants must be nominated by a local AEE Chapter.** We begin accepting applications January 1st. All scholarship forms must be sent to the Rocky Mountain Chapter Scholarship Chair by **April 2<sup>nd</sup>, 2012**. For additional information on submission and eligibility, please contact Maren Traeger at [mtraeger@iconergyco.com](mailto:mtraeger@iconergyco.com) or 303.596.6070.
